Prize will be awarded the day of your visit. All items will be autographed by the author!

HOPPER'S POND - The first book in a series about a group of young frogs who manage to make the world a better place as they share adventures on Fox Away Farm in Southern Ohio. In this book, the gang will make a new friend, venture off to their first day of school, and help some grown up frogs learn a valuable lesson about judging others by the way they look. Plenty of Laughs.

CREEPY CAMPFIRE TALES "HALLOWEEN CAMP OUT" - 11 Monstrous tales that unfold around camp grounds and near campfires. Campers at state parks have delighted in horror as James told some of these tales around campfires.
